## Welcome from the rec director's desk

Welcome to another fall season in Hesston. After a fun-filled, activity-packed summer, we at Hesston Recreation have activities that include volleyball, soccer and basketball; schools-out events such as a trip to the zoo and bowling; and a pumpkin gala that will include pumpkin decorating, pumpkin olympics and much more.

Don't let the kids have all the fun. Enjoy noon-hour basketball, quilting or finish your day with the Shoe Scuffers for some low-impact aerobics and square and pattern dancing.

Hesston Rec has something for everyone. HRCE is committed to providing the experiences of fun, fellowship and fitness in all our activities.

All the programs offered are made possible by you! Please let me know if you're interested in helping with any activity, creating a new activity or have feedback to improve your old favorites. Please drop by the office or contact me with ideas, suggestions or questions.

## SHARE YOUR TALENTS

If you are interested in sharing a skill or talent with others, give us a call. We always are looking for new activities, and we need instructors for them. The pay is competitive, and it is a great way to meet and help people. Call us for more information about how you can be a part of sharing your talent with others.

## SCHOLARSHIPS AVAILABLE

Many of our recreation and community education programs are free. Others have small charges representative of the instructional costs of the program. If you or someone you know wants to participate in any program but cannot afford fees, please contact Ryan Magill at the HRCE office during business hours for confidential assistance.

## SENIOR CITIZEN PASS

This pass is available to those age 65 or retired, who reside in the boundaries of Hesston USD 460. The pass provides free admission to all Hesston USD 460 home athletic competitions with the exception of tournaments and post-season play. Reserved seating involves an additional charge. It also provides discounted admission for other selected activities with an admission charge. Questions regarding the use of this pass should be directed to the district office at 620-327-4931.

## GET AN HRCE CATALOG

A limited number of our catalogs is printed and available at local businesses and the HRCE office. The entire catalog is available on our Web site at [www.hrce.org](http://www.hrce.org). We will email the catalog to individuals who request to be on the brochure email list. If you want to be included on the e-mail list, please e-mail [Christine.wyrick@usd460.org](mailto:Christine.wyrick@usd460.org) and request to be added to the list.

## LATE REGISTRATION POLICY

Our registration deadlines still apply. Any registration turned in after that deadline will be assessed a \$20 late fee. We do not want to exclude anyone from our programs, but children and parents must take responsibility for following the deadlines set. The only exceptions will be for families just moving to Hesston or if a squad is not yet full.

## PROGRAM CHANGES

Program changes, postponements and cancellation information is available at our Web site at [www.hrce.org](http://www.hrce.org), on our Facebook page at [Facebook.com/hesstonrecreation](https://www.facebook.com/hesstonrecreation) by calling 327-2989 for up-to-the-minute changes.

## THE GOAL OF YOUTH SPORTS

Youth sports programs are designed for our youth. They help teach fundamentals and rules of the sport, and our youth learn the value of team play and the social interaction team sports provide. Please do your best to keep the focus on learning and fun for your child.

## WWW.HRCE.ORG

You can find this entire catalog at [www.hrce.org](http://www.hrce.org), along with information about sports and education programs offered throughout the year. Check it periodically for updated information or for registering online with your debit/credit card.

## FAQs & ANSWERS

**1. How do we sign up for kids' sports programs?** Each sports program will have information sent home in a registration envelope from school with all children. Fill out the registration information, enclose the fee and return to either the school office with your child or drop it off at HRCE, 303 Park Road.

**2. Do we need to pre-enroll for programs with no fee or charge to participate?** Yes, we ask that you pre-enroll for any and all programs. We need to know numbers for supplies and for the class leaders' planning.

**3. We home-school our children. Can we be notified of program sign-up times?** Yes. Most information is in the catalog. If a registration envelope is required, you can pick it up in our office, or let us know and we will add you to our emailing list and we'll send you registration envelopes and informational flyers for each program.

## NOON-HOUR BASKETBALL FOR MEN

Join the fun, fellowship and exercise of noon-hour basketball from 11:45 a.m. to 1 p.m. on Mondays, Wednesdays and Fridays in the Hesston High School main gym. ## HRCE WALK LOGS

Believe it or not, a person who weighs 150 pounds will burn off 600 calories per hour while playing basketball, 690 bicycling, 350 playing golf, 250 while shopping and 350 during one hour of fitness walking. Why not begin your own fitness walking program?

Whether you walk a few blocks or a few miles, you can use our logbook that will give you maps and measures of routes through town and a chart so you can record your mileage. You can pick up a copy of the walk log at the HRCE office.
