HESSTON REC BASEBALL & SOFTBALL

Teams for boys and girls from pre-K through 6th grade will be formed in late April for league action beginning Wednesday, May 24, 2017.

There are opportunities for youth to play:

- Bantam Tee Ball - pre-K & K
- Midget coach pitch - 1st & 2nd grades
- Rookie Leagues - 3rd & 4th grades
- Pony Leagues - 5th and 6th grades
- Kansas Girls - 7th & 8th grades

The cost is \$30 per child for all levels.

Our Pony boys teams will again be involved in the Cal Ripken 12-year-old and 11-year-old tournaments at the end of our regular season. All grades listed are for grade just completed.

Our league does not allow kids to play up a division if we have enough kids in the eligible grades for that team.

Boys and girls will be separate in Midget, Rookie, and Pony Leagues. These 3 leagues play both home and away games in other league towns. Bantam Tee Ball is co-ed for Hesston-district kids only and all games are played in Hesston.

Registration envelopes and letters will be distributed through the schools in early March.

The deadline is Friday, March 17, 2017. A \$10 late fee will be added to registrations turned in after March 24. After hours, registrations may be dropped off in the mailbox outside the HRCE office.

MEN'S SOFTBALL LEAGUE OFFERED

Men's softball league play will begin in mid-May.

Team registration information will be mailed to all of last year's team managers.

Returning teams will be given preference, followed by new Hesston-based teams. Those interested in entering a team or those with questions should contact Ryan

Magill in the HRCE office at 327-2989 or ryan.magill@usd460.org.

The cost is \$350 per team.

Team registration form and fees need to be into the Rec office by **Friday, April 28, 2017.**

BABE RUTH BASEBALL SET FOR AGES 13-18

All young men ages 13 to 18 are eligible to play Babe Ruth Baseball in Hesston this summer.

Hesston Rec will mail registration information to last summer's players and all 7th-grade boys around March 1. Registration forms and fees should be returned to HRCE by the deadline on the form.

Teams will be formed based on the number of players signed up in each age group so playing time can be maximized for everyone.

Each program will require a different number of chaperones, so we may not be able to use all parents who volunteer.
